Alderwood News

May 2021

This month has seen the Adult Development Programme (ADP) taking centre stage for the people we support. With the ongoing lifting of restrictions they have been able to more easily get out and about into their local community for volunteering, exercise, and shopping. May has also seen the farm project back up and running and a little bit of healthy competition between the homes with the start of the Alderwood sunflower competition.

Alderwood's annual sunflower completion is a go!

Celebrating our staff

Congratulation to Sean Killen, Assistant Manager at our Irchester home for completing his Level 5 Diploma in Leadership and Management. Well done from us all!

Our May Birthday's

Wishing you all many happy returns !
