

Welcome to Shotwell Mill Lane, Rothwell, Northamptonshire

A highly specialised newly developed large detached residential home, providing specialist care and education for 4 people aged between 16 -25, with high acuity needs; complex autism, learning disabilities and behaviours that may challenge others.

Located close to the small market town of Rothwell, Shotwell Mill Lane offers room for 4 people and comprises of one ground floor bedroom with ensuite and three further bedrooms on the first floor, two with ensuite and one bedroom with use of a separate bathroom.

This beautifully decorated home is light and airy and provides plenty of space for socialising, relaxing or regulating contact with others in a range of communal spaces; the kitchen, dining room, living room, conservatory, an additional activity/sensory room on the first floor and large garden with plenty of space for activities and events.

About this service

For individuals with a diagnosis of ASD and behaviours which may challenge others Shotwell Mill Lane focuses on offering highly specialised care, support and education for young people that fall between the ages of 16 to 25.

The highly skilled team excel in supporting people with very complex needs to lead fulfilling and active lives underpinned by a strong focus on in-house specialist positive behaviour support and a unique communications programme.

The specialised training for our team is bespoke to each person being supported so that we achieve maximum personalisation, with team members involved in the assessment and transitions process where possible.

Life at the service

Shotwell Mill Lane situated close to the small market town of Rothwell provides opportunities for people integrate themselves, as much as possible into their community gaining daily living skills locally and in the nearby larger town of Kettering in shopping and travel with everything being on the doorstep. It also provides good transport access via our dedicated vehicle or public transport, with plenty of space for parking.

Life in the home is structured with activities during the day such as domestic skills, art and craft, sensory tasks, gardening, reading and much more. Each person supported has their own individualised visual communication system, that presents and communicates visually in the way best suited to them, in a logical, structured, sequential form.

Who would be suited to this home?

This home might best suit young people of transitional age who require a high level of specialist support during the day and night, aged between 16-25, male or female seeking specialist care and education. This home would be ideal for those transitioning into adulthood from family homes, colleges and or moving under the transforming care programme.

Support for people with complex autism by a highly specialised team.

Who are we?

Alderwood LLA is part of Achieve together, which is one of the UK's leading providers of support for people with learning disabilities, autism, PMLD, deafness, hearing loss and associated complex needs.

Alderwood is the specialist division for supporting autism spectrum conditions within Achieve together with a guiding principle to provide care and adult education as an integrated system within a framework of small 'family' type homes.

Over the years Alderwood LLA has become known as one of the leading providers of care and education for those with a diagnosis of autism and behaviours which challenge others, in turn enabling people we support to live a meaningful and fulfilling life.

Our Values

We live and learn Autism to enhance the lives of those we support.

We put the people we support at the forefront of everything we do.

We transform people's lives, those we support and our colleagues.

We are holistic in our approach to improve the lives of those we support.

Welcome to Tatling Grove, Milton Keynes

A new highly specialised 4 bedded supported living service, providing 24/7 support for adults aged 18+ with Autism, learning disabilities and or behaviours which may challenge others.

Located near to the town centre of Milton Keynes, Tatling Grove offers room for 4 people and comprises of one ground floor self-contained flat (which provides dual access points), one first floor self-contained flat and two additional ensuite bedrooms. A room to support waking night support is also situated on the first floor.

This spacious beautifully decorated home is light and airy and provides plenty of space for socialising and relaxing in a range of communal spaces; the kitchen, dining room, living room, conservatory and garden.

About this service

For individuals who require specialist support but who are wishing to live a more independent lifestyle, Tatling Grove can offer a safe environment where our teams can support people to gain skills such as managing their own tenancy, understanding their rights and responsibilities, self-sufficiency in household management, access to education, or employment opportunities and enjoy the lifestyle associated with living in a thriving urban community.

Life at the service

Our homes are located within towns and villages enabling those we support to integrate themselves, as much as possible, within the local community. Tatling Grove situated close to the town centre of Milton Keynes provides easy access to a large number of shops, eateries, leisure facilities, parks, cinema and more.

Life in the home is structured with activities during the day such as domestic skills, art and craft, sensory tasks, gardening, reading and much more. Each person supported has their own individualised visual communication system, that presents and communicates visually in the way best suited to them, in a logical, structured, sequential form.

Who would be suited to this home?

This home might best suit someone who requires intensive support during the day and waking night support, aged between 18-65, male or female. This home would be ideal for those transitioning into adulthood from family homes, colleges and or moving under the transforming care programme.
